OFFICE OF THE VICE CHANCELLOR,
KIBABII UNIVERSITY,
P.O BOX 1699-50200,
BUNGOMA.

Dear Sir/Madam,

RE: CHALLENGING SENATE'S DECISION TO DISCONTINUE MY STUDIES

Following Senate's resolve to discontinue my studies in Kibabii University, during the 33rd Special meeting held on Wednesday June 21st 2023, I hereby write to repudiate the same, seeking review and requesting allowance of the period of time required to complete my studies.

This is because the decision was based on wrong information and also since my previous academic stagnation resulted from financial restraints which has now been facilitated.

By discontinuing my studies invalidly, this will completely deny me an opportunity to achieve my dreams of studying Social Work in Kibabii University and being able to uplift the underprivileged in the society. It is also unfair as it assumes every effort put during the previous years of study.

Last year in 2023 for instance, I managed to sit for First year exams and pay over KShs 20,000 /= for school fees as I prepared sit for the rest in August, to later on proceed with studies in September. But KIBU representatives delivered me and the attached discontinuation letter home to my elderly dad of 79, late into the night of 6th July. My Dad and I signed the letter without any knowledge but under instruction to do so and by being promised an explanation and to read and understand later. We were grateful I was home safely and they were in a hurry to leave find a place for the night. Later, after learning that the letter had invalid basis, dad also regressed the signage and has requested also that I be allowed to proceed with studies.

Contrary to what the letter says, I commenced the First year First semester in September 2019 as per the record of the attached deferment letter, Office of the Dean of Faculty and the Registrar of Academic Affairs. Also, the letter contradicts that I have been academically active since 2019, registered for subsequent courses, attended classes and sat for exams, up to the Second year when it was impossible due to financial constraints i.e., lack of fees.

While at home, I helped my parents perform farming activities and learned virtues of integrity and patience.

After deliberations with family members, they agreed to support and facilitate my education till completion.

It was humbling to be thrown in a situation of academic failure while I lacked financial support at school and if you allow me back, I'm determined not to repeat my mistakes but to always work hard, be academically proactive and promise to be the level of person and student that the school, society and everyone prides themselves in.

Looking forward to your consideration.

REF: BSW/0005/14

Dear Mr. and Mrs. Wokabi,

RE: SIMON PETER MUCHOKI WOKABI -
REGISTRATION NUMBER BSW/0005/14

The above subject refers.

Kibabii University Senate at its 33rd Special meeting held on Wednesday 21st June, 2023 noted that Simon Peter Muchoki Wokabi Reg. No. BSW/0005/14 who was admitted on 15th September 2014 had exceeded the stipulated period of eight (8) academic years prescribed for completing academic programmes.

It was further observed that Mr. Wokabi had failed to complete his first year, first semester of study since the commencement of the programme in 2014 and had failed to register for courses in the subsequent years of study and had therefore remained academically inactive.

Senate therefore resolved to discontinue/deregister Mr. Simon Peter Muchoki as a student of Kibabii University as per the provisions of Section 19(3)(aa) of the Kibabii University Charter, 2015 on academic grounds specifically, for failure to make progress beyond the stipulated years.

Senate further decided that Mr. Simon Peter Muchoki holder of Birth Certificate No. 848173 and ID No. 32978186 is no longer a student of Kibabii University and is therefore released back to yourself for custody for which you acknowledge by signing at the back of this letter.

Yours sincerely,

for Prof. Isaac Ipara Ode
